

# A Reverse Mortgage Changed Our Lives

## Opened many opportunities...

The reverse mortgage has increased my living standards considerably. It has opened many opportunities for leisure time and money to do things that weren't available prior. I recommended several people who have taken advantage of it and they, too, have said "thank you"—it was a great move for them.

## Took a load off my shoulders...

The reverse mortgage put me in a position to be secure and not have to scrimp and scrounge from one month to another. It took a load off my shoulders. Robert D. Financial Planner suggested it... "We didn't quite have enough money to retire comfortably. Our financial planner suggested a reverse mortgage to us and I think it was a brilliant move. I really can't understand why everyone doesn't do this that is eligible. If something happens to one of us, the other one is able to stay in the home. Security One Lending's customer service was just amazing. I have recommended them to at least three of my friend.

## It's marvelous...

It's marvelous! It has helped me a lot. I appreciate it very much and I'm completely satisfied.

*Wayne S.*

## Monthly income...

"What made a reverse mortgage the right decision for us was additional income every month. It has given us security and the ability to treat our children and ourselves to a better lifestyle. To help my hearing-impaired son made us feel fantastic. A reverse mortgage is a fabulous way to supplement your income and have a secure future."

## Less stressful life...

The reverse mortgage has taken a financial burden off me and allowed me the freedom I need to have a peaceful, less stressful life. To know I have a home to live in for the rest of my life is priceless.

*Frances C.*

## Entire family extremely satisfied...

We are extremely satisfied with the financial benefits of this reverse mortgage, as is our entire family. Thanks for the guidance provided by your organization, on the whole, and for our Loan Officer, in particular. He always returned calls, advised us each step of the way, and made the entire transaction smooth.

*Edith W.*

## Paid off my car...

I paid off my car and some other bills. I bought a new furnace and air conditioning unit, had my house painted on the outside and some other minor things done. Anytime I had a question I could call my Loan Officer. She was very helpful. I was very pleased with the way everything was handled.

## It added ten years to our lives...

"The reverse mortgage saved our property. The reverse mortgage lets us feel secure that if something happens, we have money to use without giving up ownership of the house. It was far easier than I thought. The cavalry came in and saved the day. In my opinion, it's added ten years to our lives."

Everyone worked hard to make sure that I received the most money possible for my home loan. The reverse mortgage helped me to make my home more comfortable for myself and my family. ## Helped us live our lives again...

The reverse mortgage helped us in a lot of ways. For example we got caught up on a bill they were going to turn over to collection. Helped us live our life again thanks to the reverse mortgage.

## New riding mower...

So far, with the reverse mortgage, I was able to purchase a new riding mower, replace my furnace and air-conditioner as well as reroofing my house. Later this year I intend to repair or replace my windows and get new carpeting and other flooring. And I will purchase a new car—a hybrid.

*Norma K.*

## Nearly lost home...

We were near the loss of our home, but our originator made everything work in a short order of time.

*Linda & Terry T.*

## Reverse mortgage is awesome...

"As a cancer survivor you never know when the next thing will hit you. Knowing I have a chunk of cash that I can use without selling the house and finding a new place to live is just a wonderful comfortable feeling. It is awesome. I spoke with my kids and they said go with the reverse mortgage. I love it. It saved my life. Security One Lending is professional, ethical and responsive and I don't know anything more that you can ask for from a lender."

*Merv K.*

## You get tired of struggling...

It's harder to make it when you have one income. You get tired of struggling. The reverse mortgage has really helped me pay off my home and paint the outside of my house. I had to retire because of medical reasons and the reverse mortgage has been a big help.

*Donna R.*

## Wonderful program for Seniors...

It was a time in my life where I had gotten in somewhat of a debt crisis. I needed to pay off some debts and be able to live on my Retirement and Social Security every month. My Loan Representative was the kindest, nicest person and he handled my situation in a very timely and professional manner. My experience with reverse mortgages was almost my only option. I am so glad I could do it. I think it is a wonderful program for Seniors and they benefit tremendously from it. Thanks again Security One Lending.
